Origins of the Quantum Field Library

The Quantum Field Medicine library grew out of decades of hands-on work with vibroacoustic systems beginning in the late 1990s. Early experiments focused on how low-frequency vibration could be delivered effectively through sound tables and chairs so the body could feel each frequency clearly.

The Spinal Vibrational Frequencies were developed after a chiropractor shared research on the resonant frequencies of the vertebrae. Because many of those frequencies sit above the range easily felt by the body, subharmonics were introduced so they could be experienced through vibroacoustic equipment.

Over time, additional series were developed for structural work, body systems, energetic balancing, and relaxation. Today the library includes dozens of frequency tracks and vibroacoustic music compositions used by practitioners and individuals worldwide.

How to Use This Guide

This reference catalog lists all Quantum Field Medicine frequencies and vibroacoustic music created by Quantiom Energy Science. Tracks are grouped into series to make it easier to find the right frequency or music for a particular session. Many practitioners gradually build a working library of tracks they rotate depending on the needs of the client or session. Whether you are new to vibroacoustic therapy or expanding an established practice, browsing by series is a wonderful way to find where to begin.

The Healing Power of Vibroacoustic Therapy

Vibroacoustic Therapy (VAT) is the art and science of letting the body listen with more than the ears. Low-frequency sound is delivered as gentle, organized vibration that travels through tissue, fluid and bone — inviting the nervous system out of fight-or-flight and into deep parasympathetic rest. In that coherent state the body remembers how to repair itself: breath slows and deepens, muscles release their long-held bracing, circulation opens, and the busy mind grows quiet and spacious.

Research and practitioner experience point to a beautiful range of benefits — eased physical discomfort and muscle tension, softened stress and anxiety, more restorative sleep, improved mobility and circulation, and a profound sense of calm, clarity and emotional release. Because every cell is fundamentally a resonant being, sound becomes a language the whole body understands.

These compositions and frequency works are not background music. Each one is meticulously engineered — tuned intervals, sculpted sub-harmonics, and analog warmth layered so the vibration lands cleanly in the body. The result is sound you do not merely hear, but feel: a living field of resonance designed to carry you toward wholeness.

◆ THE QUANTIOM VIBROACOUSTIC EXPERIENCE

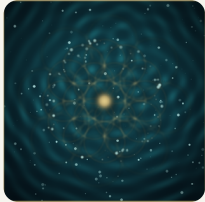

For the deepest immersion, every track in this library can be experienced on the **Quantiom Vibroacoustic Mat** — engineered with **12 precision-optimized transducers** that distribute resonance evenly along the body — paired with our **hi-def immersive sound headset** for complete, enveloping impact. Felt in the body and heard in exquisite fidelity at once, this is the full Quantiom journey. Each track also streams beautifully as pure high-fidelity audio through any speakers or headphones, wherever you are.

Pain Management Series

Resonant relief · nervous-system calm · ease in the body

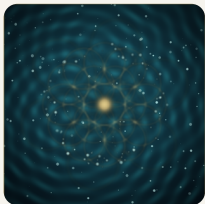

Tranquility Frequencies

30 minute Frequency track

\$29.95

A variety of resonant frequencies to support stress management and nervous-system calm.

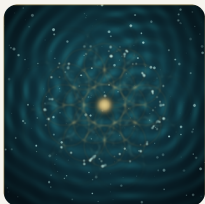

MyFibro Frequencies

30 minute Frequency track

\$29.95

A variety of resonant frequencies to aid in fibromyalgia pain management.

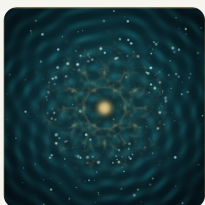

Osteo Frequencies

30 minute Frequency track

\$29.95

Based on NASA research on reversing bone loss — resonant support for bone density.

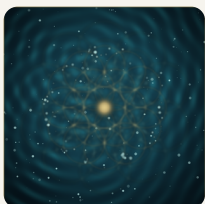

Arthro Frequencies

30 minute Frequency track

\$29.95

Resonant frequencies for joint support and comfort.

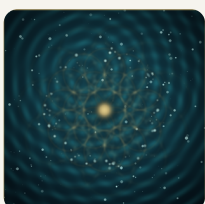

Parkinson's Frequencies

30 minute Frequency track

\$29.95

Frequencies to help calm tremors and spasms.

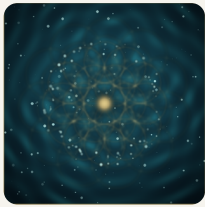

PTSD Frequencies

30 minute Frequency track

\$29.95

High & low frequencies blended to aid PTSD and soothe the stress response.

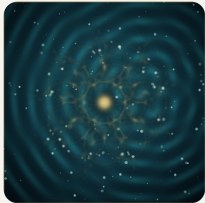

Migraine Frequencies

25 minute Frequency track

\$29.95

Frequencies to use with migraines. Best experienced at low volume levels.

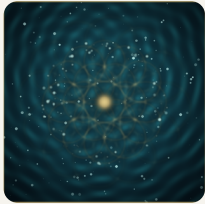

MS Frequencies

25 minute Frequency track

\$29.95

A variety of resonant frequencies to aid pain management and reduce muscle rigidity.

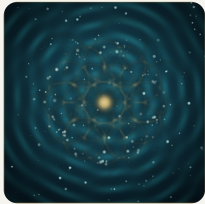

Dystonia – Spasm Easing Frequencies

55 minute – 2 tracks

\$29.95

Resonant frequencies to ease muscle spasms and dystonia. Two tracks.

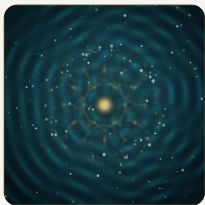

COPD Frequencies

31 minute Frequency track

\$29.95

Frequencies crafted to support COPD and ease of breath.

Cannabidiol (CBD) Frequencies

30 minute Frequency track

\$29.95

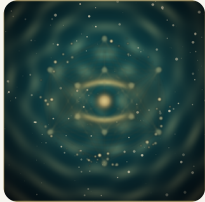

Resonant quantum-field frequencies of Cannabidiol (CBD).

Pain Management Frequencies Package — all 11 frequency sets · **\$195.95** (save \$133 over individual cost)

Human Body Series

Resonance for organs, systems & vitality

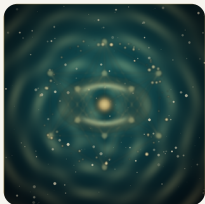

Oxygenation Frequencies

30 minute Frequency track

\$29.95

A variety of frequencies to promote oxygenation of the body and reduce acidity.

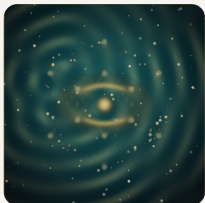

Endocrine Frequencies

37 minute (9 tracks)

\$29.95

Resonant frequencies of the endocrine system — Pineal, Pituitary, Thyroid, Parathyroid, Thymus, Adrenal, Pancreas, Ovaries and Gonads.

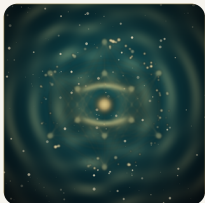

Meridian Frequencies

50 minute (12 tracks)

\$29.95

Resonant frequencies with sub-harmonics of the 12 acupuncture meridians.

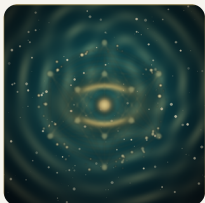

Broken Bone Mending Frequencies

25 minute Frequency track

\$29.95

Frequencies to aid in mending broken bones. Inspired by the cat's-purr frequency range.

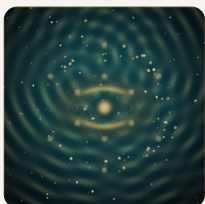

Colon Frequencies

55 minute (2 tracks)

\$29.95

Track 1 — inverse frequencies of a healthy colon. Track 2 — resonant frequencies of a healthy colon.

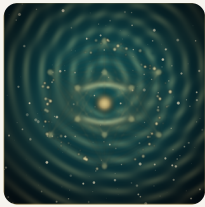

Intestinal Frequencies

23 minute Frequency track

\$29.95

Resonant frequencies to support healthy elimination.

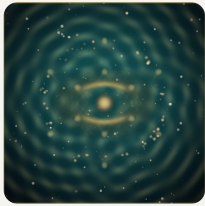

Liver Frequencies

55 minute (2 tracks)

\$29.95

Track 1 — inverse frequencies of a healthy liver. Track 2 — resonant frequencies of a healthy liver.

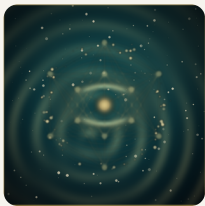

Bladder Frequencies

55 minute (2 tracks)

\$29.95

Track 1 — inverse frequencies of a healthy bladder. Track 2 — resonant frequencies of a healthy bladder.

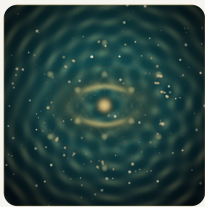

Prostate Frequencies

48 minute (2 tracks)

\$29.95

Track 1 — inverse frequencies of a healthy prostate. Track 2 — resonant frequencies of a healthy prostate.

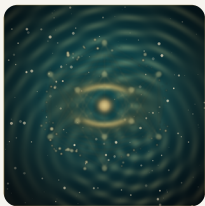

Gall Bladder Frequencies

55 minute (2 tracks)

\$29.95

Track 1 — inverse frequencies of a healthy gall bladder. Track 2 — resonant frequencies of a healthy gall bladder.

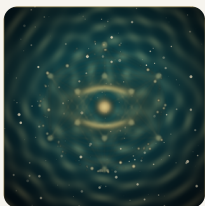

Immune System Boost Frequencies

30 minute Frequency track

\$29.95

A variety of frequencies intended to help energize and boost the immune system.

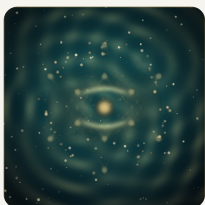

Spleen Frequencies

50 minute (2 tracks)

\$29.95

Track 1 — inverse frequencies of a healthy spleen. Track 2 — resonant frequencies of a healthy spleen.

Organ Tune-Up

30 minute Frequency track

\$29.95

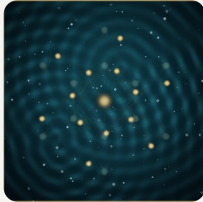

One track — resonant frequencies of a healthy Pancreas, Gall Bladder, Liver, Kidney, and Bladder, in that order.

Muscle & Structural Series

Crystalline resonance for muscle, bone & structure

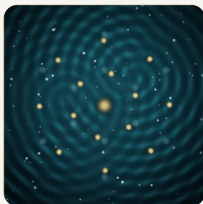

Sciatica Frequencies

61 minute – 3 tracks

\$29.95

A 20-minute track with resonant frequencies and subharmonics for the L4 and L5 vertebrae and their supporting muscles; a 15-minute track for the piriformis muscle; and a 26-minute track combining L4/L5 resonance with Rife frequencies for sciatica.

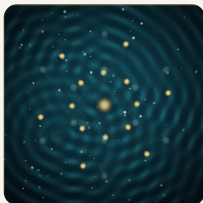

Spinal Vibrational Frequencies

24 minute Frequency track

\$29.95

Addresses the resonant frequencies of every vertebra in the spinal column, one frequency at a time.

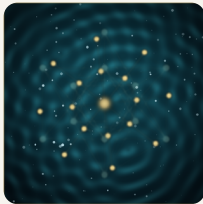

Neck & Shoulder Frequencies

26 minute Frequency track

\$29.95

Resonant frequencies with subharmonics of the neck, shoulder and upper-back muscles.

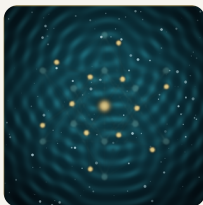

Hand Frequencies

24 minute Frequency track

\$29.95

Resonant frequencies with subharmonics of the muscles of the hand.

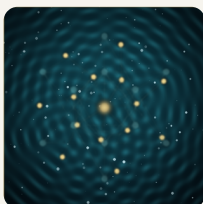

Knee Frequencies

32 minute Frequency track

\$29.95

Resonant frequencies with subharmonics of the muscles that support the knee.

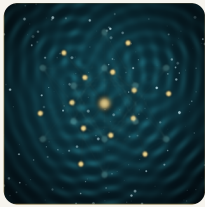

Hip Frequencies

28 minute Frequency track

\$29.95

Resonant frequencies with subharmonics of the muscles that support the hips.

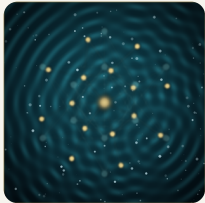

Foot Frequencies

30 minute Frequency track

\$29.95

Resonant frequencies with subharmonics of the muscles that support the feet.

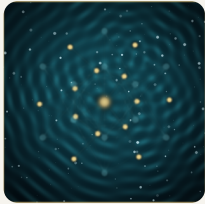

Arm & Shoulder Frequencies

30 minute Frequency track

\$29.95

Resonant frequencies with subharmonics of the muscles of the arm and shoulder.

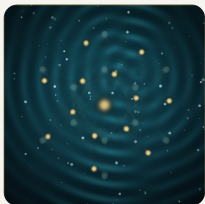

Spinal C1 and C2 Frequencies

30 minute Frequency track

\$29.95

Addresses the resonant frequencies and subharmonics of the C1 and C2 vertebrae of the spinal column.

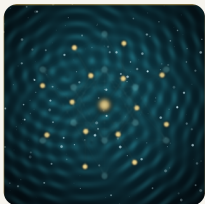

Abdominal Frequencies

30 minute Frequency track

\$29.95

Resonant frequencies with subharmonics of the abdominal muscles.

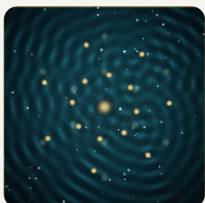

Throat Frequencies

30 minute Frequency track

\$29.95

Resonant frequencies with subharmonics of the throat muscles — to aid muscle relaxation and dysphonia.

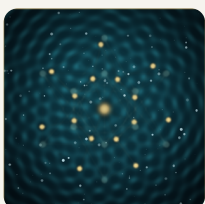

Upper Back Frequencies

28 minute Frequency track

\$29.95

Resonant frequencies with subharmonics of the upper-back muscles and vertebrae (C6, C7, T1–T6).

Middle Back Frequencies

28 minute Frequency track

\$29.95

Resonant frequencies with subharmonics of the middle-back muscles and vertebrae (T1–T12).

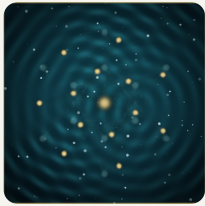

Lower Back Frequencies

28 minute Frequency track

\$29.95

Resonant frequencies with subharmonics of the lower-back muscles and vertebrae (T7–T12 & L1–L3).

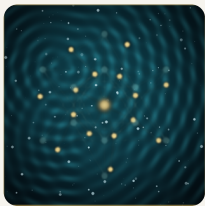

Pelvic Support Frequencies

30 minute Frequency track

\$29.95

Resonant frequencies and subharmonics of the supporting muscles of the pelvis, woven with frequencies and subharmonics of Platinum, Gold, Silver, DNA Repair and Cell Regeneration.

Calf Frequencies

24 minute Frequency track

\$29.95

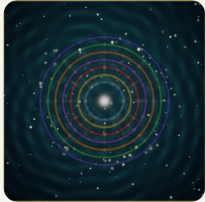

Resonant frequencies and subharmonics of the supporting muscles of the calf, woven with frequencies and subharmonics of Platinum, Gold, Silver, DNA Repair and Cell Regeneration.

DEEP RELAXATION & STRESS RELIEF

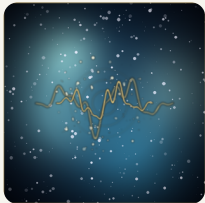

De-Stress – Music for Relaxation

15 minute track | © Chris Deuel & Quantiom Energy Science 2020 | MP3 (256 kbps)

\$29.95

Vibroacoustic music to relax with — created for vibroacoustic technologies and pure audio streaming by Quantiom Energy Science.

“This track feels so good — like a warm hug. I found that I was able to effortlessly breathe so deeply...”

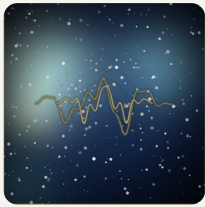

Deep Inner Peace

48 minute journey | © Chris Deuel & Quantiom Energy Science 2014 | MP3 (256 kbps)

\$29.95

Vibroacoustic music created for vibroacoustic technologies and pure audio streaming by Quantiom Energy Science. Excellent for stress relief, massage, meditation, and muscle relaxation. Deep Inner Peace was born from a vision to produce music that induces healing and tranquility through pure sound and love-inspired melody. It is mixed specifically to take advantage of the unique energy field produced by a sound table — not music merely meant for headphones, but a soothing symphony of vibration intended to envelop you in light and sound, revealing your inner brilliance. The tuning for the track is 432 Hz.

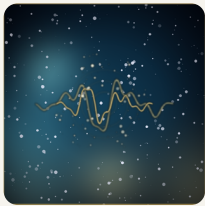

Spaces Between

30 minute track | © Chris Deuel & Quantiom Energy Science 2025 | MP3 (320 kbps) | NEW

\$29.95

Embark on a 30-minute sonic journey through magical soundscapes — ranging from deeply earthy tones to otherworldly, extraterrestrial realms. This immersive composition features microtonal tuning, allowing the exploration of mathematically pure, naturally resonant intervals that deepen the listening experience. At its heart lies a captivating improvisation by guest composer Steve Flato on a modified electric guitar, complemented by modular-synthesizer textures and an analog Moog bass that grounds the piece with warmth and depth. Hypnotic pulsations flow through the body while ethereal tones shift and evolve, evoking vivid inner imagery and expanded states of awareness. Whether you seek to enhance personal meditation or deepen client sessions in sound healing, massage therapy, or Reiki, this track is the perfect energetic companion.

Conscious Flight

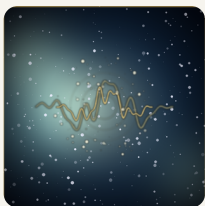

45 minute journey | © Chris Deuel & Quantiom Energy Science 2011 | MP3 (256 kbps)

\$29.95

Vibroacoustic music created for vibroacoustic technologies and pure audio streaming by Quantiom Energy Science. An excellent combination of music, sound, VAT (vibroacoustic) frequencies and binaural beats. Use it with or without headphones — through any vibroacoustic technology or a pure audio stream (use headphones to take advantage of the 7 Hz binaural brainwave entrainment). Its purpose is to relax and entrain the brain down to a Zen meditative state — letting you travel inwardly while remaining conscious of your travels. An Audiostrobe® version is also available for use with Light Glasses; simply note this in the order comments and we will send it.

“I just listened to Conscious Flight on our VAT table and wanted to send a quick note of appreciation. Wow! Stunned! Wonderful composition for VAT! — Joel, CT”

INTEGRATION & BALANCING

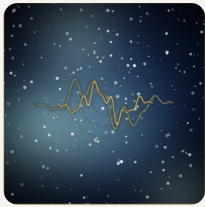

Inner Alignment – Creating Coherence

15 minute track | © Chris Deuel & Quantiom Energy Science 2014 | MP3 (256 kbps)

\$29.95

A 15-minute energy-center clearing and alignment created for vibroacoustic technologies and pure audio streaming by Quantiom Energy Science. The intention, while playing the Tibetan bowl, was for each energy center — from the Earth Star up through the major and minor centers to the Stellar Gateway — to be cleared, resonantly tuned, and aligned for its highest functioning.

Messages From The Sound Current

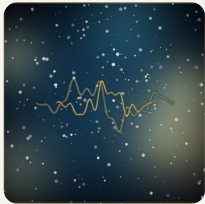

60 minute track | © Chris Deuel & Quantiom Energy Science 2022 | MP3 (256 kbps)

\$29.95

A 60-minute vibroacoustic journey created for vibroacoustic technologies and pure audio streaming by Quantiom Energy Science.

“Messages From The Sound Current is an hour-long journey intended to uplift and heal anyone who experiences it. Expansive soundscapes gently entrance the listener while precisely crafted bass resonates the physical body with heartfelt intention. As the journey progresses, the mind calms and the inner cosmic hum gradually becomes audible. By the end, a consonant and blissful state engulfs the listener. Perfect for any practitioner who wants to deepen their client’s state of peace. A 50-minute version is also available on download.”

— Chris Deuel

Celestial Caverns

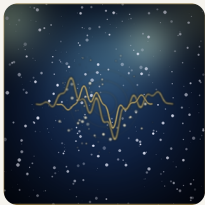

60 minute composition | © Chris Deuel & Quantiom Energy Science 2023 | MP3 (256 kbps)

\$29.95

Vibroacoustic music created for vibroacoustic technologies and pure audio streaming by Quantiom Energy Science.

“Enjoy a full hour-long journey through carefully crafted ambient tracks that seamlessly flow in and out of one another. Beautiful harmonic spaces coalesce as tension gives way to a calming resonant field that envelops body and mind. Each sound was handcrafted on hardware synthesizers — ranging from majestic to bold and vivacious — forming a tapestry perfect for meditation, self-healing, Reiki and massage.”

— Chris Deuel

A Temple in the Sky

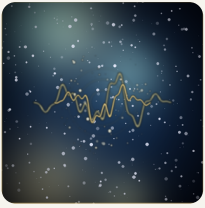

15:33 minute track | © Chris Deuel & Quantiom Energy Science 2020 | MP3 (256 kbps)

\$29.95

Vibroacoustic music created for vibroacoustic technologies and pure audio streaming by Quantiom Energy Science.

“This track was inspired by a shared vision while hiking along the Niagara Gorge. Moving along the river, we glimpsed what appeared to be a crystalline temple floating above the water. While writing this music, I imagined the journey into that etheric structure. My hope is that it helps us travel into an inner-space more open than our current surroundings.”

— Chris Deuel

Hathor Immaterial

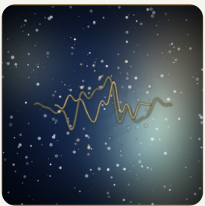

33 minutes | © Chris Deuel & Quantiom Energy Science 2025 | MP3 (320 kbps) | NEW

\$29.95

Vibroacoustic music created for vibroacoustic technologies and pure audio streaming by Quantiom Energy Science.

“This album was composed for the more adventurous listener — one who sees beauty in all things new-age but senses a missing dimension. This is ‘channeled’ music, inspired by a dream in which I sat in a circle with beings singing some of the most beautiful music I had ever heard. For a moment I left my body and they began to sing through me. I woke overcome by love and gratitude. What resulted is 33 minutes of music holding two things dear to me — sounds with otherworldly characteristics, and something deeply human. Expect vast soundscapes that reflect the alien nature within us all.”

— Chris Deuel

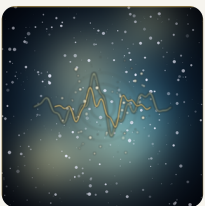

Lunar Circuits

20 minute track | © Chris Deuel & Quantiom Energy Science 2025 | MP3 (320 kbps) | NEW

\$29.95

Inspired by the phases of the moon and composed of three distinct sections. The first is rhythmic and energizing, with regal ascending melodies over a steady bassline that enhances bodily awareness. The second is graceful and ephemeral, weaving ascending and descending motifs into a rich tapestry. The final section showcases a mesmerizing generative sequence — semi-random sounds emerging within a defined structure, grounded by an analog bass synthesizer. An invitation to explore the depths of your own sound experience.

MEDITATIVE & TRANSFORMATIONAL

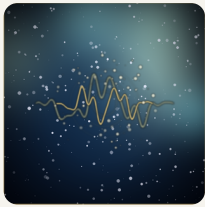

Violet Flame Meditation

16 minute track | © Chris Deuel & Quantiom Energy Science 2015 | MP3 (256 kbps)

\$29.95

Vibroacoustic music created for vibroacoustic technologies and pure audio streaming by Quantiom Energy Science. Created to form a sonic representation of the violet flame, attuned to its sacred temple in the etheric realm and acting as a bridge between the physical and higher dimensions. With vibroacoustic technology, a powerful resonant field forms around the body, allowing the transmuting energies of the violet ray to be more easily accessed. Music, Tibetan bowls and bells, optimized for vibroacoustic equipment.

Violet Flame II

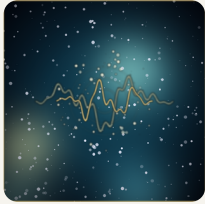

31 min total (5 tracks) | © Chris Deuel & Quantiom Energy Science 2020 | MP3 (256 kbps)

\$29.95

Vibroacoustic music created for vibroacoustic technologies and pure audio streaming by Quantiom Energy Science.

“Violet Flame II explores five functions of the violet flame: washing, cleansing, spinning, raising and sealing. These piano-based meditations wind through illusive harmonies and beautiful melodies, each made to transmute whatever holds us back into a more joyous counterpart.”

— Chris Deuel

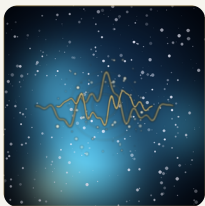

Seven Rays

30 min total (7 tracks) | © Chris Deuel & Quantiom Energy Science 2020 | MP3 (256 kbps)

\$29.95

Seven vibroacoustic tracks created for vibroacoustic technologies and pure audio streaming by Quantiom Energy Science — meditations upon the Seven Rays.

Stars Become Portals – Five Harmonic Drones

30 minute (5 tracks) | © Chris Deuel & Quantiom Energy Science 2020 | MP3 (320 kbps)

\$29.95

Vibroacoustic music created for vibroacoustic technologies and pure audio streaming by Quantiom Energy Science.

“Five Harmonic Drones — the first time I tried this I was in a rather agitated state. After four minutes I simply ‘dropped’ into a coherent state. These are wonderful harmonic explorations created for vibroacoustic technologies and immersive audio.”

The Quantum Field library has continued to grow alongside the development of vibroacoustic systems over the past 25 years. Many practitioners combine multiple tracks within a session to support relaxation, structural work, or deeper meditative states.

Frequently Asked Questions

What are Quantum Field / Vibroacoustic Frequencies?

Precisely tuned low-frequency sound vibrations designed to be felt in the body as gentle, organized resonance — or experienced as a pure, high-fidelity audio stream. They help relax the body, calm the nervous system, and support the body's own capacity to heal.

How is Vibroacoustic Music different?

Vibroacoustic music marries masterful composition with carefully sculpted low-frequency vibrational elements, so each piece can be both heard in exquisite detail and felt as resonance moving through the body.

What are the benefits of Vibroacoustic Therapy?

Listeners and practitioners report a beautiful range of benefits: eased physical discomfort and muscle tension, softened stress and anxiety, deeper and more restorative sleep, improved circulation and mobility, easier breath, and a profound sense of calm, mental clarity and emotional release. By guiding the nervous system into coherent, parasympathetic rest, VAT creates the inner conditions in which the body most readily restores itself.

How do I experience these tracks for full impact?

Every track can be experienced on any vibroacoustic technology, and reaches its deepest expression on the **Quantiom Vibroacoustic Mat** — featuring 12 precision-optimized transducers — paired with our **hi-def immersive sound headset**, so the work is felt in the body and heard in stunning fidelity at once. Each track also streams beautifully as pure audio through any speakers or headphones, wherever you are.

How do I choose which to use?

Each track is grouped into a series — Pain Management, Human Body, Muscle & Structural, and Energy & Balancing for frequencies; and Deep Relaxation, Integration & Balancing, Energy & Clarity, and Meditative & Transformational for music. Browse by series to find what fits your session.

What formats are available?

All tracks are available as high-quality MP3 download (256 kbps or higher). A download link is emailed after your order is processed.
